## ABOUT OUR SMALL GROUP TOURS

Since each tour is planned with traveler input, your tour may be slightly different. We always add in "off the itinerary" sites of interest. Adjustments may be made for crowd management, weather, special events, or conditions beyond our control.

We travel with a small group of 12-18 active adults. This offers the flexibility to do what we want to do, on our own schedule. Everyone is provided with City Cards with VIP, unlimited admission to all the great sites of the city, even those not on the itinerary. Every traveler is provided unlimited and free local public transportation.

Breakfast is included each day of the tour. Every day we plan a relaxing lunch and dinner. Please join us or go out on your own - we are glad to offer our best recommendations.

Well in advance of departure date, each traveler is supplied with a "final" detailed itinerary along with a complete and detailed information packet. It has advice on packing, money matters, passports, weather, etc.

We make sure travelers are well-prepared. And of course, we are always available to personally answer any questions you may have.
